Judge Archibald to Face Trial Dec. 3

The trial of Judge Robert W. Archbald of the commerce court on im-Thursday, December 3. Judge Arching summer sun, those waving fields clever gratter—wherefore anouto we bald was accused of being an unfit of golden grain that have been singjudge and carrying improper business ing their anthem of praise in soft ness and vexation of soirit. Transactions for personal gain under music to the rythm of the summer the guise of his official duties.

MRS. SCOTT BACK IN BOULDER HOME

Boulder, Colo., Nov. 27.-Mrs. Callie Scott, wife of Dr. Ira D. Scott, who with her daughter, 4 years of age, disappeared from her home in Boulder, returned today,

Mrs. Scott related how she went to Memphis and later returned to Denver, telephoning her husband that the daughter would be found at a friend's house in this city. She told how she again started for Memphis, but on reaching Kansas City collapsed and decided to return.

Mrs. Scott is said by physicians to be in a serious mental and physical condition. In her lucid moments she declares that she left Boulder at the behest of another person

Every mother of a small son knows how well nigh impossible it is to keep a bandage on his finger. Also, how frequently little boys' fingers are in need of bandaging. Before throwing away old kid gloves cut off the good fingers for "finger stalls" for the boy. Cut the under side short, but let the top run back to the wrist of the warfare, we have been conserving ours glove; then split this strip to form straps to fasten around the child's wrist with a small safety pin. These was little thought of compensation, diphtheria is no longer a terror, the stalls will be quite large enough to Then paying heavily for insurance white plague is being debarred from cover the bandaged finger of a small child and will save endless time and worry, says Mothers' Magazine. For larger children use fingers from a man's glove.

Her Fellow Feetling

The children had been disobedient and troublesome, and the mother, instead of punishing them, brought them into line by telling them a pathetic story of orphans who had no home. shielded from undesirable hours and slavery, the abilition of the drink trafoccupations.
